

CHRISTIAN PRIVATE SCHOOL

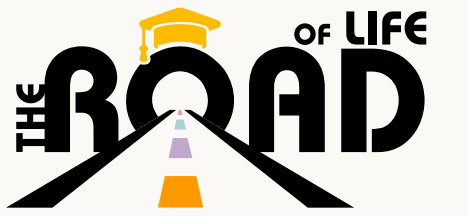

«ROAD OF LIFE»

Welcome to the “Road of Life” – a place where your child will flourish as an individual, receive a high-quality education, and discover their true calling.

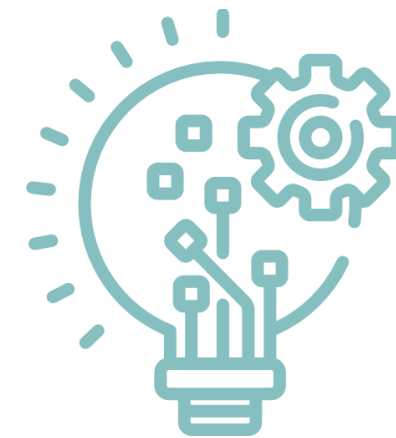

We strive to nurture happy, responsible, and successful individuals.

WHY CHOOSE US?

Licensed School

We hold all the necessary licenses and accreditations, ensuring a high standard of education.

Innovative Approach

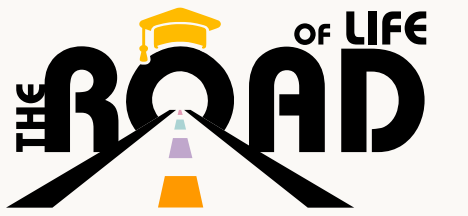

We implement advanced methods and technologies to provide effective learning.

Modern Environment

Comfortable and well-equipped facilities create ideal conditions for development.

WHY CHOOSE US?

Christian Values

We nurture children with Christian values — love, respect, kindness, and honesty. Prayer, the Bible, and spiritual growth are an integral part of the learning process.

Caring Teachers

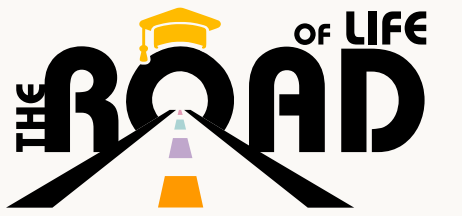

Our team consists of highly qualified teachers who help each child reach their full potential.

Partnership with Parents

We actively involve parents in the educational process, maintain open communication, and work together to create an environment for the child's harmonious development.

LICENSED SCHOOL

- At this stage, we are legally affiliated with the private institution Dubno Lyceum «Premudrist»
- In the future – obtaining our own license to carry out educational activities.

MODERN ENVIRONMENT

- The NGO «Road of Life» has comfortable and well-equipped facilities designed for 5 classes (50–60 students).
- In the future, there are plans to build a modern educational complex for 400 students.

CARING TEAM

Our team consists of highly qualified teachers and administrators who help unlock each child's potential.

We plan to expand our team in the future in line with the needs of our educational programs and the development of our school.

CHRISTIAN COMPONENT

- We raise children with Christian values
- Prayer, Bible reading, spiritual growth, and practical patriotism are integrated into the learning process
- Christian ethics and direct collaboration with “Superbook”

LOVE

RESPECT

KINDNESS

HONESTY

"A thorough knowledge of the Bible is worth more than a college education."
(Theodore Roosevelt, 26th President of the United States)

INNOVATIVE APPROACH

- We implement advanced methods and technologies for effective learning.
- **Enhanced program:**
In addition to the core mandatory program, we offer a wide range of extracurricular activities to support your child's holistic development.

ABACUS

Mental arithmetic to develop logical thinking and calculation speed.

INTENSIVE ENGLISH

Language without barriers: fluency in English for future success.

ROBOTICS

Technical creativity and a STEM-focused approach to nurture engineering skills.

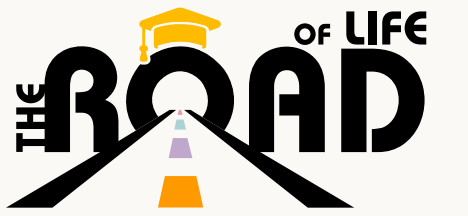

ART THERAPY

Emotional harmony through creativity and self-expression.

ADDITIONAL ACTIVITIES

FOR COMPREHENSIVE DEVELOPMENT

CHESS*

Development of strategic thinking and concentration.

SPEEDCUBING & LOGIC*

Enhancing focus, spatial thinking, and reaction speed.

REMOTE-CONTROLLED MODELS*

Active recreation with benefits: developing motor skills and technical abilities.

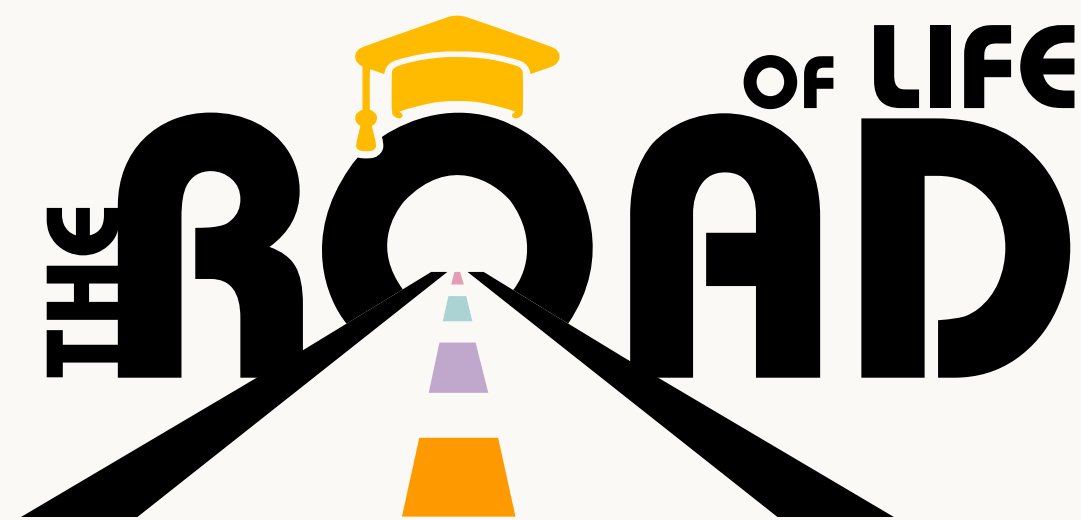

SCHOOL GARDEN & FARM*

Fostering a love for work, nature, and environmental awareness.

**Additional activities are the key
to harmonious personal development**

WELCOME TO THE “ROAD OF LIFE”

We believe that every child is unique and deserves the best education.
At The Road of Life, we create an environment where children can learn, grow, and develop according to Christian values, while discovering their potential.

Become part of our school family!
